

## NETTIX 1604

4 - 14 years

4 kids

19.9 m<sup>2</sup>

### Material specification

- Hot-dip galvanized and powder coated or powder galvanized and powder coated construction of 100 x 100 mm profile,
- Stainless steel bars,
- Stainless steel screws and/or screws covered with plastic caps,
- Safe end caps made of polypropylene,

### Physical development

## Product data

|                                |                     |
|--------------------------------|---------------------|
| Length                         | 336 cm              |
| Width                          | 43 cm               |
| Total height                   | 223 cm              |
| Age group                      | 4 - 14 years        |
| Number of users                | 4 kids              |
| Safety zone                    | 19.9 m2             |
| Free fall height               | 120 cm              |
| In accordance with norm EN     | 1176-1:2017+A1:2023 |
| Weight of the heaviest part    | 27 kg               |
| Dimensions of the largest part | 300x10x10 cm        |
| Availability of spare parts    | YES                 |
| Installation time              | 4 h                 |

### Color options

Data is subject to change without prior notice.

### Additional information

- equipment intended for public playgrounds;
- equipment has a certificate issued by an accredited entity or a declaration of conformity;
- no sharp edges or chinks that would pose a danger of jamming the head, fingers or any other body parts;
- anchoring on flat surface, 80/70 cm deep;
- render is for reference only, the actual appearance of the equipment and its color may vary;

## Guarantee

30 year guarantee -  
Durability of steel and  
stainless steel  
structural elements

15

15 year guarantee - Durability of steel and stainless steel structures of mobile devices; durability of Robinia wood structural elements

10

10 year guarantee - Structural strength of HDPE, 100% recycled HDPE and HPL elements; structural elements made of 100% recycled material (composite)

5

5 year guarantee - Corrosion resistance of stainless steel and hot-dip galvanized and powder-coated steel elements, resistance to bark beetles and rotting of wooden structural elements
